A word from our clients

"I just wanted to let you know that we had your catering at the Hellenic Centre in December and it was the best catering that we have had in the 10 years that I have arranged events for the company. All the staff were very impressed so I thought that it was only right that I passed this thanks onto you and the staff"

Carnegie Investment Bank

"The venue looked absolutely beautiful and was exactly what we wanted and visualized. For once, what we were told we would get, we actually did. The food was really great, tasty, hot and very mouth-watering! The dj was spot on - I don't think there was a quiet moment on the dance floor and there are a few lost voices this morning! I've had nothing but really positive feedback from everyone -directors included, saying it was the best Xmas party yet"

Modus Group

"Thank you (and everyone else involved) again for making our Xmas party a success. I've had lots of great comments from everyone, especially with regards to the beautifully decorated venue and lovely food"

Ernst and Young

"Extremely professional, pleasant and a pleasure to deal with. Very good professional physical presence on the evening"

HOK Architects

"I want to say a very big thank you for organising our event. These things can sometimes be very stressful but it went so smoothly that I could have a good time! I will definitely recommend Impulse to others"

Euro RSCG

"walking in and seeing that everyone had a drink & were happy – it takes a lot to please our staff. Also at the end of the night when no one would leave I knew It was a success"

British Board of Film Classification

"relaxed & calm execution and reassuring communication – great atmosphere, sophisticated décor and fantastic food..."

Blue Rubicon

"professionalism and the fact that nothing was impossible or difficult - even at the last minute"
